

The Belton Area Chamber of Commerce Board of Directors voted on November 21, 2019 to submit the following individuals as nominees for positions on the Board effective January 1, 2020:

- Misty Baker, InHouse Security Systems (renewal for second term)
- Emily Kirkpatrick, Monteith Abstract & Title (renewal for second term)
- Emilio Perales, Vista Real Estate
- Jordan Samfield, First Texas Bank
- Davy Villanueva, Extraco Banks

We are excited about these individuals agreeing to work with our Board to further the Chamber's mission.

According to the Chamber bylaws:

*The names of the nominees shall be submitted to the general membership with notice that they may seek a petition to place another Chamber member's name on said ballot. The said petition must state that the person named on it must receive ten (10) signatures on the petition of current Chamber members in order to be placed on the ballot. If ten (10) calendar days, after the mailing of the ballot by means most efficient and effective determined by the CEO, no petition is presented in the Chamber of Commerce office, then the nominees will be deemed to have been elected after the acting Directors vote on them. [Article III, Section 3, d) b.]*

Please contact Randy Pittenger, President/CEO, at 254-939-3551 with any questions.
