FOR IMMEDIATE RELEASE

Belton, Texas
December 18, 2020

Stronger Together in 2021

The Belton Area Chamber of Commerce has unveiled the 2021 membership window stickers emphasizing the theme of “Stronger Together” for this year. Each member of the Chamber will receive a window sticker at their time of renewal with encouragement to proudly display it.

“The theme of ‘Stronger Together’ was chosen for our annual membership stickers because it represents what we have experienced over the past year with the challenges of the pandemic,” stated Randy Pittenger, Chamber President/CEO. “As we came together as a community to deal with the unique challenges presented, we saw how our community was indeed stronger together.”

The Belton area has certainly felt the impact of the pandemic restrictions, and while more struggles are ahead, we have seen numerous examples of adaptations or adjustments made by local businesses to pivot as needed to continue to operate and serve their customers. Our community has also increasingly recognized the importance of supporting local small businesses in order to maintain the quality of life we all desire for our community.

“It’s not just a slogan to say we are stronger together; we really do need each other,” added Pittenger. “We are interconnected as together we make Belton a great place to live, work, shop, play, and raise a family.”

The Chamber and City of Belton have also partnered together to promote what is needed to “Keep Belton Open” through a series of videos posted on social media and signs posted around town. Wear your mask, wash your hands, and watch your distance are keys to keeping our local businesses open both in the short term and long term. So let’s all do our part to Keep Belton Open!
